## **PROFIT GUIDANCE FOR THE YEAR ENDED 31 DECEMBER 2023**

---

The Board of Directors (the “**Board**”) of Fuxing China Group Limited (“**Fuxing China**” or together with its subsidiaries, the “**Group**”), would like to issue a profit guidance statement of the Group’s results for the Year Ended 31 December 2023 (“**FY2023**”).

The Group expects to report a net loss for FY2023 mainly due to:

- (a) lower revenue as a result of a softening in demand from its customers; and
- (b) higher cost of sales and general and administrative expenses.

The profit guidance is based on a preliminary review of the unaudited financial results of the Group. Further details of the Group’s results will be disclosed when the Group releases its FY2023 results on or before 29 February 2024.
